

Erie Tiger Twilight Invitational Track Meet

Erie High School Stadium, Erie CO

Thursday, April 1st, 2022 – Qualifying Meet

Meet Format: 4 individual entries in track events, 3 in field events, and 1 relay. (possible exceptional 4th athlete in a field event). Tentative minimums for entry (and measurement) are on the time schedule, and we will have 3 attempts with top 9 going to finals in the throws and horizontal jumps. The meet qualifies for state ranking and will be a mixture of 2A, 3A, 4A, and 5A teams. **All submissions must be verifiable on MileSplit and MaxPreps.** We will seed all competitors and relays and run finals against time.

(POSSIBLY NEED PARENT VOLUNTEERS) We may ask schools in attendance to run a field event.

Cost for Spectators: We will charge at the gate - \$5 for Adults/\$4 for Students

Awards: There will be medals for top 3 in each event and trophies for the top two teams.

Time Schedule: See the accompanying document.

Minimum Distances for Entry/Measurement and Progressions for Field Events:

These are on the time schedule. We will check the official rankings the week before and may adjust our progressions to give your athletes an opportunity to break ties. Our minimums for entry and measurement are tentative, and we reserve the right to make adjustments after we see the entries, but these should be very close to what we'll use. **This is a varsity-level meet, and the minimums for the field events reflect that expectation.** We hope that adding 4 athletes in the running events will provide opportunities for some of your younger athletes to experience a varsity meet. Please also note the cut-off times in the 800, 1600, and 3200.

Implement Weigh-In and Weight Check: Vault poles, and vaulter weigh-in will take place at the vault, and shot and discus weigh-ins will be at the table set up at the south end of the west stands close to the shot and discus area. **We would like all implements to be weighed at the beginning of the meet.**

Rules and Regulations: The rules governing the meet are those of the Colorado High School Activities Association and the National Federation rules.

Infield/Competition and Team Camp Area Expectations:

All athletes should enter the competition area through the gate at the southeast end of the stadium. Competitors should report to the clerk at the staging area on the first call. We will check spikes. **Maximum length allowed is 3/16"**. We will have spikes for sale at the check-in tent. Coaches, managers, and non-competitors will be expected to remain in the stands or outside the infield during competition. Athletes may warm up on the practice field west of the track and jumping area. A coaching box will be provided for the pole vault and high jump.

Coaches will be allowed to video at the field events from the coaching box. Athletes should not jump over fences to enter the track area. Athletes caught jumping over the fence will be disqualified.

Team Camps will be in the tennis courts and area next to it, next to the warm up area, and in top of the east stands.

Bus Parking: Buses that are staying after drop off will be asked to park at the Erie Community center 450 powers st, Erie, Co (about 2 miles west of the high school) Part of the lot will be coned off just for buses there. Buses that leave and return after 3:30 can park in the parking lot north of the school and bus loop.

Spectator Parking: When the meet starts school will still be in session. Therefore parking for spectators will be limited in the parking lot. Spectators can park in the bike lane down Colliers Parkway directly west of the school. After 3:00 the school parking lot should open up for more spectators.

Concessions and Food: The concession stand will be open with drinks and snacks and is located west of the stadium.

There will also be a BBQ food truck as well as a smoothie truck.
